Re: 95-12330

Dear Mr. Stevenson:

We are returning your Notice of Claim. The date of priority is listed as April 30, 1980. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property.

A review of our records indicates that you may be the owner of water right 95-8621. If this is the case, then we suggest the following: change the Ident. Number in the upper right hand corner to 95-8621, change the date in item #2 to 6/6/1989, sign on page 2 and return the claim to our office.

If you have any questions, please contact us.

Sincerely,

Kenneth Knoblock
Water Right Supervisor

Thank You
Tom Stevenson
