Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 92-10649

Dear Claimant:

Idaho Department of Water Resources (IDWR) has received and completed initial processing of your CSRBA Claim on springs (Surface Water) for use on Benewah County parcel RP43N01E074800A. Your Claim has been assigned identification No. 92-10649.

Your Claim contains insufficient information for IDWR to identify the spring locations and which set of buildings receive spring water for Domestic use. Please use a dark pen or marker to show the spring locations with a dark **X** labeled '**SPRING**' and circle and label the correct buildings on whichever map is correct. Your labeled map should be mailed to me at the above address.

Please telephone me at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey  
Senior Water Resource Agent  
Idaho Department of Water Resources, Northern Region
