NOTICE OF CLAIM

Federal Reserved Water Right 51-13097

Bruneau

Wild & Scenic River

1. Name and address of claimant:

UNITED STATES OF AMERICA, on behalf of the
Department of Interior, Bureau of Land Management
Idaho State Office
1387 S. Vinnell Way
Boise, Idaho 83709-1657

2. Source of water:

Bruneau River, tributary to Snake River

3. Quantity of water claimed:

a. Stream flows at the Bruneau River quantification site:

- (1) When the stream flow at the Bruneau River quantification site, as identified in Section 3.a.(3) below ("Bruneau River quantification site"), is less than 895 cfs, the United States claims the following flows (subject to paragraph 3.c. below):

Period of Use	Discharge (cfs)	Period of Use	Discharge (cfs)
January 1-15	163	July 1-15	380
January 16-31	196.5	July 16-31	248
February 1-15	230	August 1-15	116
February 16-28(29)	345	August 16-31	105

March 1-15	460	September 1-15	94
March 16-31	805	September 16-30	107
April 1-15	1150	October 1-15	120
April 16-30	1440	October 16-31	129.5
May 1-15	1730	November 1-15	139
May 16-31	1540	November 16-30	143.5
June 1-15	1350	December 1-15	148
June 16-30	865	December 16-31	155.5

- (2) When the stream flow at the Bruneau River quantification site is greater than or equal to 895 cfs (as adjusted by accounting for upstream junior depletions), the United States claims all flows.
 - (3) The quantification site for the flows identified above at the Bruneau River quantification site is the Bruneau River located in NW1/4NW1/4NW1/4, Sec. 26, T.07S., R.06E., Boise Meridian; Latitude 42° 47' 29" N, Longitude 115° 43' 7" W (NAD 83).
- b. This claimed water right does not prohibit the appropriation, diversion and use of water within the Bruneau River Basin upstream from the ending point, as identified in element 5.b. below ("Bruneau Wild and Scenic River Basin"), when the stream flow at the Bruneau River quantification exceeds the flow amount in Section 3.a.(1) and is less than 895 cfs.
 - c. The discharges identified in the table in Section 3.a.(1) above are intended to reflect the 20% unimpaired exceedance discharges at the Bruneau River quantification site for each semi-monthly period (except for any semi-monthly period for which the discharge identified as necessary to protect recreation values exceeds the 20% exceedance discharge for that semi-monthly period). The 895 cfs discharge identified in the text of Section 3.a.(1), and in Section 3.a.(2) and Section 3.b. above, is intended to reflect the unimpaired 1.5 year peak flow recurrence interval discharge at the Bruneau River quantification site. These discharges have been calculated based upon the best available hydrologic data and without taking into account impairment of discharges (existing upstream depletions). If additional hydrologic data and/or information concerning impairment of discharges become available that indicate a need for adjustment of the stated exceedance discharges, and/or the 1.5 year peak flow recurrence interval discharge, the claimed discharges may be modified accordingly.
 - d. This claimed water right precludes any diversion of water out of the watershed of the Bruneau Wild and Scenic River Basin.

4. Priority date claimed:

March 30, 2009

5. Point of diversion:

There is no diversion associated with this instream flow water right. The legal description of the beginning and ending points of the instream flow water right are as follows:

a. Location of beginning point:

At the point on the Bruneau River where it intersects the confluence with the West Fork Bruneau River:

Lot 1 (SE1/4NE1/4NE1/4), Sec. 05, T.13S., R.07E., Boise Meridian; Latitude 42° 19' 46" N, Longitude 115° 39' 9" W (NAD 83).

b. Location of ending point:

At the point where the Bruneau River intersects the downstream boundary of the Bruneau-Jarbidge Wilderness:

SW1/4SW1/4SW1/4), Sec. 02, T.08S., R.06E., Boise Meridian; Latitude 42° 45' 16" N, Longitude 115° 43' 32" W (NAD 83).

6. Purpose of use:

To fulfill the purposes of the Wild and Scenic Rivers Act, Pub. L. 90-542, 82 Stat. 906, Oct. 2, 1968 (codified as amended at 16 U.S.C. §§ 1271, et seq.), and the Omnibus Public Land Management Act of 2009, Pub. L. 111-11, 123 Stat. 991 [1037-1039], March 30, 2009 (codified as amended at 16 U.S.C. § 1274(a)(182)).

7. Period of use:

January 1 - December 31

8. Place of use:

This instream flow water right is used throughout the designated Bruneau Wild and Scenic River from the beginning point to the ending point as identified above.

9. Annual volume of consumptive use:

This instream flow water right is non-consumptive (other than evaporation and evapotranspiration that may take place within the designated segment).

10. Remarks:

This is a federal reserved water right established pursuant to the Wild and Scenic Rivers Act, Pub. L. 90-542, 82 Stat. 906, Oct. 2, 1968 (codified as amended at 16 U.S.C. §§ 1271, et seq.), and the Omnibus Public Land Management Act of 2009, Pub. L. 111-11, 123 Stat. 991 [1037-1039], March 30, 2009 (codified as amended at 16 U.S.C. § 1274(a)(182)).

WATER RIGHT CLAIM VERIFICATION

STATE OF IDAHO)
) ss:
COUNTY OF ADA)

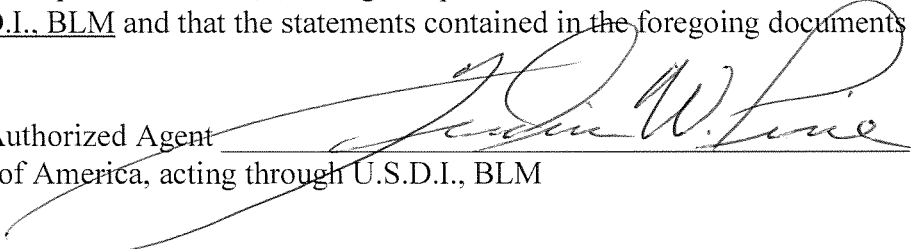

CLAIMANT VERIFICATION:

Water Right Number: _____ Bruneau

- (a) By signing below, I acknowledge that I have received, read, and understand the form entitled "How you will receive notices in the Snake River Basin Adjudication."
- (b) I do ___ do not X wish to receive and pay a small annual fee for monthly copies of the docket sheet.

For Organizations:

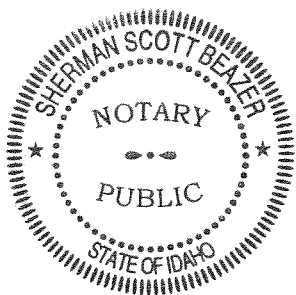

I do solemnly swear and affirm that I am Fredric W. Price, Water Rights Specialist of United States of America, acting through U.S.D.I., BLM, that I have signed the foregoing documents in the space below as Water Rights Specialist of United States of America, acting through U.S.D.I., BLM and that the statements contained in the foregoing documents are true and correct.

Signature of Authorized Agent  for the United States of America, acting through U.S.D.I., BLM

NOTARY:

Subscribed and sworn to before me on this 14th day of December, 2012.

Seal

Sherman Scott Beazer
Notary Public in and for: State of Idaho
Residing at: Boise, Idaho
My Commission Expires: December 10, 2015

Notice is hereby given that the United States Department of Justice will represent the United States of America, including the United States Department of Interior, Bureau of Land Management, in all matters pertaining to the Snake River Basin Adjudication.

All notices required by law should be mailed to the following identified individuals at the address below:

Bruce D. Bernard
David L. Negri
U.S. Department of Justice
Environment and Natural Resources Division
Natural Resources Section
550 W. Fort Street, MSC 33
Boise, Idaho 83724

This form is an attachment to a general Notice of United States' claims. The signature and affirmation on such Notice constitutes the required signature of the authorized agent representing the United States.
