RE: Notice of Claim No. 63-33646

Kim,

During the review of claim 63-33646 that you filed for domestic use, we found that there is a decreed water right for the same parcel of land and use that you have claimed. This parcel is decreed as right no. 63-18543. Therefore, we are recommending your claim 63-33646 as Disallowed to the Court and are going to show it being recommended as 63-18543, the previously decreed right.

In this process we will need to have you submit a Notice of Change in Ownership (form enclosed) with the required documentation, and we will then update our records to show you as the current owner of 63-18543. In addition, we will apply the filing fee you submitted with your claim to the ownership change fee, so no additional fees are required. Also enclosed, is a report showing right 63-18543 as it is decreed.

If you have any questions regarding this letter or your claim, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Lori Harris". The signature is written in dark ink and is positioned above the printed name and title.
