Department of Water Resources

RE: Ownership of Water Rights 95-10604

To Whom it may concern:

There has been no change of ownership to the water right for property at 9537 e. Parks rd, Athol, Id 83801. The water rights are owned by Susan and Clayton Howard, we merely put our home in a trust, which we are the owner of, Oasis Revocable Trust, po box 2076, Hayden, Id 83835. Per a conversation with Chad H. Goodwin, senior water resources agent for the state of Idaho, northern region, I am explaining this for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Howard", written in a cursive style.

Susan Howard, owner
