Notice of Claim #43-10331✓all records modified
11-4-97 -ps

Dear Claimant:

We need your assistance to verify your legal property descriptions on Notice of Claim #43-10331. I have enclosed a copy of the map from your Notice of Claim filed in June, 1989, for your convenience. There appears to be a discrepancy in Section 22. I've outlined the property boundary submitted by you in green, and outlined the property the Cassia County Assessor shows you as not owning in Section 22 in pink (NWNW, Sec. 22). You can see the discrepancy. The assessor's records confirm your ownership of the other tracts claimed for this water right.

Please explain, document, or submit information that either shows your ownership of the tract in question or your authority to have a water right on property you don't own under this name.

The Assessor also notified us the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right(s) can be sent only to the address on your water right(s) or as otherwise changed by you.

I have enclosed an Adjudication Name Index listing the Notices of Claim filed by you. The address on each of these claims will be updated to your current address. If there has been a change in ownership of the property connected with any of the water rights referenced on the enclosed Name Index, please call me toll-free at 1-800/451-4129 to obtain a form to make this required change to the claim record(s).

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary before returning this letter. Please return the letter by October 30, 1997. Thank you for your help.
