Dear Mr. and Mrs. Hall:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership to you. Please find the enclosed copies of the computer record of the claim(s) noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

There was no confusion on these five water rights, so you are now listed as owner. Just as soon as I receive a warranty deed or Mr. Kunau's signature on the Notice of Change of Water Right Ownership, you will be listed as owner on the other four water rights.

Sincerely,

Trish Fawcett

RE: Notice of Claims for Stockwater Use
A43-10452 thru A43-10457 and A43-10459 thru A43-10463

Dear Mr. Kunau:

The Department has hired a contractor to start the field review of the Domestic and Stockwater claims in Basin 43 (Raft River Area). His preliminary review of your claims has brought to our attention the possibility that the places of use described on your claims may include all the land that you own or lease and not just the physical locations of your watering troughs or tanks.

To clarify this matter you are requested to submit maps which clearly describe each water system being claimed. On each map there should be clearly marked the location of each well and the locations of each watering trough or tank where the cattle drink. If you wish you may make an appointment with our office to review the maps we have on file which may help you in preparing maps of your systems.

We request that the maps or clarification of your places of use be submitted to our office by **August 16, 1991**.

If you have questions please feel free to contact me at this office.

Sincerely,

RE: Notice of Claims for Stockwater Use
A43-10452 thru A43-10457 and A43-10459 thru A43-10463

Dear Mr. Kunau:

The Department has hired a contractor to start the field review of the Domestic and Stockwater claims in Basin 43 (Raft River Area). His preliminary review of your claims has brought to our attention the possibility that the places of use described on your claims may include all the land that you own or lease and not just the physical locations of your watering troughs or tanks.

To clarify this matter you are requested to submit maps which clearly describe each water system being claimed. On each map there should be clearly marked the location of each well and the locations of each watering trough or tank where the cattle drink. If you wish you may make an appointment with our office to review the maps we have on file which may help you in preparing maps of your systems.

We request that the maps or clarification of your places of use be submitted to our office by **August 16, 1991**.

If you have questions please feel free to contact me at this office.

Sincerely,

Allen Merritt P.E.
Water Rights Supervisor
