RE: 43-04235B (ORSON AND DONNA ZOLLINGER)

Dear Claimants,

Recently you were mailed a copy of the Department's Proposed Recommendation of your Water Right **43-04235A**, as did Orson and Donna Zollinger for their part **43-04235B**. They had originally claimed troughs in the **SENE** and the **SWSE** of Section 12 and you also claimed the trough in the **SENE** of Section 12. When our contractor did his review, he removed the trough location in the **SENE** of their claim and recommended it to your claim, leaving them with the one in the **SWSE** only. John Zollinger came into our office and filed an Objection to the removal of the trough and stated you and his parents shared that trough while his parents also had the additional one in the **SWSE**. I just wanted to let you know of this Objection and subsequent correction to their right. I have enclosed copies of both rights and a map for your review. Please let me know if you have any questions or objections of your own to this matter.

Sincerely,
