In consideration of the foregoing the following covenants, restrictions and conditions are hereby agreed to between the lessee and the lessor.

1. USE OF LAND.

Grazing, 1282.62A @ 3¢ acres Farming, 1257.90A @ 7¢ acres

The lands leased for grazing purposes shall not be planted to any crop or crops, nor shall said lands be tilled or farmed without the written consent of the Land Commissioner, provided, however, that upon application by said lessee or any other party interested, the State Land Commissioner may reclassify said lands as farm lands and may lease the same as such, to give a preferential right to the lessee in possession upon such increase of rental as may be fair and equitable.

2. RATE OF RENTAL.

To pay to the lessor in lawful money of the United States at the office of the State Land Commissioner of the State of Idaho, each year's rental in advance and prior to the legal possession of the property for such year, an annual rental for each acre covered by this lease; the sum of See above per acre per annum for grazing and the sum of --- per

acre per annum for farming land; that said rental shall be payable on or before January 1 of each year except where an extension has been granted by the State Board of Land Commissioners in the manner provided by law and in case of such extension it is agreed by and between the parties hereto that the State shall have a first lien on all crops growing, sown, grown or harvested on or from the lands hereby leased as provided by law. It is understood and agreed by the lessee that he will not attempt to create any lien on said crops with the intent and purpose of making said lien equal or senior to the lien hereby given to the State of Idaho to secure the payment of such rental and in the event of any such attempt the lessor reserves the right to cancel said lease, after giving ten days notice to said lessee.

3. CHANGE OF RENTAL.

The State Board of Land Commissioners reserves the right in its discretion to increase or decrease the annual rental herein provided at the beginning of each and every calendar year during the term of this lease, and in the event of any change in rental the lessee shall be notified thirty days in advance of the first payment of such increased or decreased rental.

4. RIGHT OF LESSOR TO SELL—APPRAISAL OF IMPROVEMENTS

The State Board of Land Commissioners reserves the right to sell all or any portion of the land described in this lease and in case of sale of said premises during the continuance of the same, the lessee hereby covenants to deliver immediate possession unless the State Board of Land Commissioners has determined that he shall be permitted to harvest the growing crop. In such event he shall have possession of only the land on which such crops are growing. When surface improvements have been made they will be appraised by the State Land Commissioner, or a fieldman, under the direction of the State Board of Land Commissioners and the lessee will be paid for same by purchaser on the day of sale; provided, however, that no appraisal of improvements shall be final and binding until the same is approved by the State Board of Land Commissioners.

When permanent range improvements, construction of permanent buildings, or leveling or clearing of land for agricultural uses, is contemplated by the lessee he must secure the approval of the State Land Commissioner in writing prior to making such improvements and failure to secure such written approval shall work a forfeiture of the value of such improvements in case of sale.

5. RENEWAL OF LEASE—APPRAISAL OF IMPROVEMENTS.

If the lessee herein is not the successful bidder at the expiration of this lease and the land is leased to another party, then the value of improvements recognized in paragraph 4 above as agreed upon between the parties, or as appraised and fixed by the State Land Commissioner, shall be paid by said successful bidder for such lease to the lessee herein, provided, however, should said lessee owe delinquent rental to the State at the time of the termination of said lease, the amount paid, or so much thereof as will liquidate said delinquent rental for said improvement, shall be paid to the State Land Commissioner. In case improvements have been made by the lessee herein on land embraced by this lease, and an appraisal of the value of such improvements is required, such improvements shall be appraised by the State Land Commissioner, or a fieldman for the Land Department.

6. RELINQUISHMENT OF RIGHTS.

The lessee agrees to deliver up the said premises leased upon breach of any of the conditions herein set forth with all permanent improvements thereon in good order and condition when such breach results in cancellation or forfeiture of such lease.

7. TIMBER ON LAND UNDER LEASE.

This lease is made subject to all rights that the purchasers of timber upon said lands may have under their deeds or certificates of sale whether purchased before the execution of this lease or after; this lease does not authorize the lessee to cut any timber growing on the land leased; any unauthorized use of such timber by the lessee or with his knowledge or consent, shall work a forfeiture of this lease without notice; and said lessee shall be responsible for all damages to said timber and shall be prosecuted as provided by law. Lessee is subject to the provisions of the state fire law; provided, that the lessee shall not be liable for fire protection charges fixed by such law.

8. MINERAL RESERVATIONS.

This lease is subject to any oil and gas lease that is now in force or effect or that may hereafter be granted on the lands or any part thereof included herein as provided by Title 47, Idaho Code, as the same may have been or may hereafter be amended, and is also subject to any mineral lease that is now in force, provided, however, in the event of a mineral lease or an oil and gas lease being granted subsequent to the granting of the lease herein, said lessee, whether such is a mineral lease or oil and gas lease, shall give a good and sufficient bond to protect said lessee herein from all damage occasioned to the surface of said lands embraced in this lease, whether utilized for actual mineral extraction or for rights-of-way or other purposes necessary to fully operate said mineral lease.

9. PROHIBITED FROM FENCING WATERING PLACES.

The lessee shall fence no watering place upon said leased lands where the same is the only water accessible for range stocks within a radius of one mile, without first having secured the consent of the State Board of Land Commissioners, provided, however, that the users of said water for stock or domestic purposes only shall protect the growing crops and improvements of said lessee, including ditches, headgates, dams or pipe lines utilized for irrigating the lands of the lessee herein, and that the cost of said protection shall be borne by the users of said watering place situated upon the land herein described.

10. GRAZING REGULATIONS.

Where land under this lease is used for grazing, the grazing period on said land and the number of stock to be grazed thereon may be fixed and determined by the State Land Commissioner; said lessee, under the above conditions, shall furnish, to the State Land Commissioner such information as may be required from time to time during the term of this lease, to assist in determination of the grazing period and number of stock to be grazed.

Where sheep are grazed on land included in this lease, they shall not be bedded more than one night consecutively on the same bedding ground, nor shall such sheep be grazed in such a fashion as to destroy the natural herbage on said lands leased or demised.

11. PAYMENT OF WATER CHARGES.

Unless otherwise provided, the lessee herein shall pay all water charges, assessments or taxes of whatsoever nature that may be legally levied or assessed for irrigation purposes against the land herein described, or any portion thereof, and if the same is not paid it shall constitute a lien in favor of the State of Idaho against all crops growing on said land.

12. SUBLEASING.

The lessee herein covenants and agrees that he will not sublease the land embraced in this lease or any part thereof.

13. ASSIGNMENT.

Said lessee shall not assign this lease except upon the approval of the State Land Commissioner and only where the rental owing has been paid in full except that if a rental extension has been granted by the State Board of Land Commissioners on this land such extension shall be assumed by the assignee and if improvements exist, such will be purchased by the assignee. Payments for such improvements in case of assignment of this lease where rentals are delinquent, shall be applied first to liquidate the delinquent rentals. Such assignment must be in writing and subscribed to by the lessee and spouse, if any. An Acceptance and Assumption of lease agreement must be subscribed to by the assignee and spouse, if any. The assignment, acceptance and assumption of lease shall be submitted to the State Land Commissioner for approval, and if approved by him, shall then be recorded on the records of the State Land Department.

14. RIGHT OF ENTRY AND INSPECTION. ABANDONMENT.

The State Board of Land Commissioners reserves the right, through its State Land Commissioner, his fieldman, or other employees, to enter upon said land or any portion thereof during the term of this lease for the purpose of inspecting said property in the interests of said lessor. This right of visitation and inspection shall not authorize the lessor to destroy any of the property of the lessee thereon situated. Should any of the property covered by this lease be abandoned, or said lease cancelled or forfeited for any breach of condition herein contained, all improvements placed upon said property by said lessee shall remain a part of the realty and title thereto and ownership thereof shall vest in the State of Idaho.

15. LESSOR PROTECTED AGAINST WASTE.

The lessee herein shall use the property under this lease in such manner as will best protect the State of Idaho against loss or waste and shall cooperate with the State, or any agency of the United States or other agency authorized by the State to undertake programs for eradication of noxious weeds thereon, and hereby authorize any of such agencies to inspect said property from time to time for the purpose of determining whether or not such noxious weed control or eradication is advisable. The lessee shall take all precautions to exterminate and prevent the spreading of noxious weeds thereon during the term of this lease.

16. FORFEITURE OF LEASE.

In case the lessee herein shall fail to comply with any of the covenants, terms, or conditions of this lease the State Board of Land Commissioners may forfeit or cancel the same upon ten days notice to said lessee and said lessee shall not, during said period of notice, remove any of the improvements or crops thereon, and hereby authorize any of such agencies to inspect said property from time to time for the purpose of determining whether or not such noxious weed control or eradication is advisable. The lessee shall take all precautions to exterminate and prevent the spreading of noxious weeds thereon during the term of this lease.

It is further covenanted and agreed between the parties hereto that every obligation hereunder shall extend to and be binding upon, and every benefit hereunder shall inure to the benefit of the heirs, executors, administrators, successors or assigns of said lessee.

17. EASEMENTS.

The State Board of Land Commissioners reserves the right to grant such easement and rights-of-way across or upon the said land described in this lease as it may deem necessary in the public interest, and to grant immediate possession thereof to the grantee of such easement, upon condition that the grantee of such easement shall, before exercising the same, pay to the lessee the reasonable value of the growing and immature crops and improvements within the boundaries of the granted right-of-way or easement.
