Attorneys for Riverside Irrigation District

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA
Case No. 39576

Subcase No. 63-267

AFFIDAVIT OF ANDY BISHOP

STATE OF IDAHO)
) ss.
County of Canyon)

Andy Bishop, having been duly sworn upon oath, deposes and states as follows:

1. My name is Andy Bishop. I am the Superintendent of the Riverside Irrigation District, Ltd., whose business address is 120 N. 3rd St., Parma, Idaho 83660. Riverside is a nonprofit irrigation entity formed pursuant to Idaho law and a corporation in good standing that delivers irrigation water to approximately 10,158 acres of land in Canyon County, Idaho and Malheur County, Oregon. I have been Riverside's Superintendent since 1997. As Riverside's Superintendent, I am responsible for the operation, maintenance, and repair of Riverside's entire irrigation delivery system, including its diversion infrastructure and its canals, lateral ditches, and other conveyance facilities. Based upon my employment experience with Riverside, I

understand the function and operation of Riverside's irrigation diversion, conveyance, and delivery facilities, and I make this affidavit based upon my own personal knowledge.

2. Riverside's primary irrigation conveyance and delivery facility is the Riverside Canal. The Riverside Canal diverts water from the Boise River in Township 4 North, Range 3 West, Section 10, SESW, pursuant to water rights 63-226, 63-227, 63-228, 63-229, 63-299, and 63-300. The season of use for Riverside's rights is 3/1 to 11/15.

3. Recently, Riverside has been reviewing unclaimed water rights in the SRBA for both control purposes and water quality improvements of water flow into the canal at various points. Riverside discovered that this right was asserted for delivery in the Riverside Canal.

4. No other person, including those persons named on this right have the right to divert via Riverside's canal.

5. Water right 63-267 has not been claimed in the SRBA.

6. There are no conveyance agreements between the persons identified on this right and Riverside.

7. I do not deliver water to the property identified in this right via the Riverside Canal.

8. All water delivered by Riverside is delivered to its shareholders in the place of use decreed by the SRBA Court, including this right.

Further your affiant sayeth naught.

Andy Bishop
