From: Vikie Hancock

5/29/2001

Regarding: 43-10030, 43-10031, 43-10034

Customer: Harold Durfee

>

I called Mr. Durfee this date concerning his Notice of Error responses to the Preliminary Director's Reports sent to him on the above groundwater claims. 43-10030 is a claim for domestic use at his home north of Almo. The other two are for stockwater in the near vicinity of his home. Mr. Durfee's noted change to his three water rights was the additional use of lawn and garden sprinkling to all three rights.

I explained to Mr. Durfee that his domestic claim 43-10030 automatically included the irrigation of ½ acre of lawn and/or garden associated with his home. He decided then that the recommendations for all three of the rights were probably correct.
