8. Total consumptive use:

9. Non-irrigation uses:

10. Place(s) of use:

Place of use for irrigation from storage is within the following counties: Minidoka and Cassia.

Place of use for storage is Lake Walcott, provided, however, that water under this right may be temporarily held in the unoccupied space of any of the reservoirs upstream of Milner Dam, located at township 10S, range 21E, sections 28 and 29, when determined by the Water District 01 Watermaster as supervised by the Director of the Department of Water Resources, the Water District 01 advisory committee, and the United States Bureau of Reclamation that such temporary storage will maximize the storage of water upstream of Milner Dam.

11. Place of use in counties: Same as 10.

12. Do you own the property listed above as place of use? NO

13. Other Water Rights Used: 01-219

14. Remarks:

The allocation of storage to federal contractors and the location of that storage, including carryover storage, in the reservoir system shall be determined by the United States Bureau of Reclamation pursuant to federal reclamation law and contracts entered into between the United States and federal contractors. The Water District 01 Watermaster as supervised by the Director of the Department of Water Resources shall distribute the stored water in accordance with allocation instructions from the United States Bureau of Reclamation

This decree does not alter, amend, or modify the contracts entered into between the various federal contractors and the United States Bureau of Reclamation, as amended, including but not limited to the contractual storage exchanges, in connection with the Palisades project and the Minidoka project, which contracts remain binding among the parties.

The name of the United States of America acting through the Bureau of Reclamation appears in the Name and Address sections of this partial decree. However, as a matter of Idaho Constitutional and Statutory Law, title to the use of the water is held by the consumers or users of the water. The irrigation organizations act on behalf of the consumers or users to administer the use of the water for the landowners in the quantities and/or percentages specified in the contracts between the Bureau of Reclamation and the irrigation organizations for the benefit of the landowners entitled to receive distribution of this water from the respective irrigation organizations. The interest of the consumers or users of the water is

appurtenant to the lands within the boundaries of or served by such irrigation organizations, and that interest is derived from law and is not based exclusively on the contracts between the Bureau of Reclamation and the irrigation organizations.
