The above-captioned water right was claimed based on a permit prior to the issuance of the license. On January 27, 1997, a *Partial Decree* was entered for the above-captioned water right. The Director of the Idaho Department of Water Resources ("Department") subsequently issued a license for the water right. On January 22, 2013, the Department filed a *Notice of Completed Administrative Proceeding* in the above-captioned subcase informing the Court of the issuance of the license, as well as an *Amended Director's Report* reflecting the elements of the above-captioned water right claim as licensed. The license supercedes the *Partial Decree*. Therefore, it is the intent of the Court to issue an *Amended Partial Decree* in the above-captioned matter consistent with the *Amended Director's Report* pursuant to Idaho Rule of Civil Procedure 60(a). A copy of the proposed *Amended Partial Decree* is attached as Exhibit A.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **Tuesday, May 21, 2013, at 1:30 p.m.** at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone

participation will be available by calling 1-215-446-0193 and when prompted entering code 406128 followed by the # sign. **However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record.**
