RE: Insufficient Filing Fees for claim #95-14079

Dear Claimants:

The Idaho Department of Water Resources recently reviewed the Notice of Claim to a Water Right you filed.

The correct and full filing fees must be submitted with the Notice of Claim in order to include your water right in the report to the court. We will hold your claim until the filing fees in the amount of \$25.00 are received. If we do not receive the filing fees within 30 days, your claim will be returned to you.

You have filed 2 claims 95-14079 for a well and 95-14082 for water from Lake Coeur d'Alene. You have paid the fees for 95-14082 but have not paid the fees for 95-14079.

Please do not hesitate to contact this office if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad H Goodwin', is written over a large, faint, stylized 'IDWR' watermark that spans the width of the page.
