Director of the Idaho Department
of Water Resources,

MOTION TO FILE A LATE

93-10-0039

vs.

The United States; the State of Idaho; and
all Claimants to the Use of Water From
the Snake River Basin Water System,

Respondents.

INSTRUCTIONS FOR USE

This form must be used to ask permission to file a late notice of claim in a reporting area where the director's report has been filed. This form has been adopted by the court in *SRBA Administrative Order* (amended June 21, 1993), Section 4A, which may be consulted for further information.

This motion requires you to certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law;

and is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase the cost of litigation.

You may copy or reproduce this form. If you do, the text must be on the front and back of each page exactly as it appears here. Fill out the form completely and attach all fees or the court will not accept the motion for filing. The Verification and Certificate of Mailing must be completed. Check each box to verify you have followed the court's instructions.

☒ As required by the court, I have read the *SRBA Administrative Order 1, Rules of Procedure* (amended June 21, 1993).

My name is Ronald H. Adams

My address is 3028 Chisholm Drive, Hagerman Idaho 83332

I am an attorney representing N/A Self and mother and wife

My name is Ronald H. Adams

My address is 3028 Chisholm Drive, Hagerman Idaho 83332

My phone number is 208-837-6615

The water right number I want to file a late notice of claim for is 36-15240

I did not file a notice of claim to the use of water in the SRBA because:

I believed as a member of Ruby Springs Water Co and Norwood Subdivision
that the filing of my water rights would be done proper through
Ruby Springs Water co. as it has been done in the past. I had no idea
that Ruby Springs Water Co. was letting my water go or I would have filed
promptly. I did not find out that Ruby Springs Water Co. had let my
water rights go until the 6 month waiting period was already past.

As required by the court, I am providing legal and factual documentation for my claimed use of water. The documents I am providing are: (You must describe the documents and attach a readable copy.)
