INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water tight number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

This form has been adopted by the court in *SRBA Administrative Order 1, Rules of Procedure* (amended Sept. 30, 1996), Section 4, which may be consulted for further information.

By filing a *Motion to File a Late Notice of Claim* or a *Motion to File an Amended Notice of Claim*, you certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.

I am an attorney representing David Wayne Baker and Melodie L. Baker

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

- ☐ I did not file a Notice of claim to the use of water in the SRBA because:
- ☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of claim for domestic or stock watering use.
- ☐ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

I have attached:

- ☐ A fully completed Notice of Claim (available for IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I. C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.
- ☐ A claim filing fee and late claim for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$100 (\$50 flat fee and \$50 late fee). (Water rights for irrigation of the acres referenced in the claim have been decreed.)

Follow these instructions regarding the hearing on this motion.

MOTION TO FILE AN AMENDED NOTICE OF CLAIM

A *Motion to File an Amended Notice of Claim* may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.

☒ I must amend my Notice of Claim to the use of water in the SRBA because:

IDWR's recommendation for water right no. 72-16782 does not include the quantity of water, point of diversion or place of use claimed for the East Fork-3 diversion, apparently because the lands irrigated from the East Fork-3 diversion were not included in item number 10 of the claim form describing the place of use. This was a clerical error by the claimants. Nonetheless, the quantity of water, point of diversion and previously-decreed water rights diverted through East Fork-3 are identified in the claim form, and the East Fork-3 place of use is identified in "Exhibit B" attached to the claim form to provide a "map of the project" required by the form. In addition, IDWR unofficial copies of the partial decrees for water right nos. 72-224 and 72-225, identifying the 92.40 acre place of use irrigated from the East Fork-3 diversion, are attached to the Affidavit of *David Wayne Baker in Support of Motion to File Late Notices of Claims*. Claimants are filing contemporaneously their *Objection* to IDWR's recommendation for water right no. 72-16782 pursuant to the recommendation of IDWR staff to ensure that the claimed quantity of water, point of diversion, and place of use for the East Fork-3 diversion are included in the recommendation and decree for water right no. 72-16782.

☐ I am providing legal and factual documentation to support my amended Notice of Claim. You must describe these documents and attach a readable copy.

I have attached:

☒ An amended Notice of Claim (available from IDWR).

☐ Payment of the following additional fees required by IDWR:
