Dear Sir(s):

The Idaho Department of Water Resources (IDWR) is currently reviewing the claims that were filed in the Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) for water rights 95-7716 and 95-8177 by your office. These claims were filed on behalf of **Equity Trust Co Custodian FBO Wayne K. Burton IRA**.

During the review of these rights, it was found that these rights do not overlap. Our records indicate that these two rights were licensed for a total of 20 domestic units and possibly up to four acres of irrigation, therefore, an additional \$17.00 variable fee is required for 95-8177 in order for it to not be rejected. The variable fee for 95-7716 has already been paid.

The fee can be submitted to our office in Coeur D'Alene or our office in Boise, noting claim 95-8177.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Lori Harris
