MEMORANDUM

TO: File 43-02683

FROM: Pam Skaggs/State Office

SUBJECT: Transfer 5337

DATE: March 18, 1999

Transfer 5337 changes the place of use under Right 43-02683 in order to include all the existing troughs. The system has been modified to more equally distribute livestock use in the area.

This right was recommended in the SRBA Director's Report as licensed under D-Permit #1342. BLM filed an objection in order stay the proceedings and allow time for this transfer to change the place of use to reflect the existing system. Region Adjudication staff, Kelly Christensen, discussed the objection with BLM staff to clarify this matter.

Recommended conditions include common grazing allotment limits, SRBA non-confirmation of historic use & 13,000 gpd limit, and standard transfer conditions.
