MEMORANDUM

TO: FILE NO. 43-02706

FROM: PAM SKAGGS/²STATE OFFICE

SUBJECT: TRANSFER NO. 4427

DATE: October 7, 1994

=====

Transfer No. 4427 was filed to change/correct and add a new location to the place of use under Right No. 43-02706. This right is a stockwater permit that will add a second set of troughs in a new quarter-quarter to more equally distribute livestock use in the area. Cassia County Assessor's office verified ownership of all the described property under this right as government owned.

No specific number of stock has ever been identified under this right, so volume has been assigned according to what the diversion rate could provide. A condition limiting the use of this right with all other stockwater rights to the amount of water that can be beneficially used by the stock has been recommended along with standard transfer conditions.

INTEROFFICE MEMORANDUM

TO: TRANSFER FILE NO. 5337 - ~~5338~~
cc. A43-02683 & A43-02706 (legal dept for objection review)
FROM: KELLY K CHRISTENSEN *KKC*
SUBJECT: ADJUDICATION REVIEW OF TRANSFER
DATE: 03/04/99

Both transfers add to the existing pipeline and trough system to increase grazing efficiency. . . As neither the diversion rate nor number of livestock using the system is being increased, no enlargement is evident. I talked with Steve Davis (BLM Burley office) about the transfers and he indicated that the changes are already accomplished and that the transfers are just to bring the records into line with the existing systems.

On 07-02-1998 objections to the place of use for each right were filed with the Snake River Basin Adjudication Court to stay proceedings so that the changes proposed in the transfers could be included within the decrees for each right. Again, this information is based upon the conversation with Steve Davis on March 4, 1999.

As the transfers are the mechanism to settle the objections, the adjudication legal department should be notified upon the approval of the transfers. At this time I was told that Roxanne Brown was managing the adjudication process for the objections on these rights.

Therefore, I recommend that the transfers proceed as they stand.
