MICHAEL G. BRANCHFLOWER, being first duly sworn upon his
 oath deposes and says:

1. My name is Michael G. Branchflower. I am married to
 Katherine Branchflower. We are the owners of Water Right No. 36-
 07460B. On May 3, 1993, I filed objections to 16 separate water
 rights in Basin 36. Included in those objections were various

objections to Water Right No. 36-07460 B, C and D.

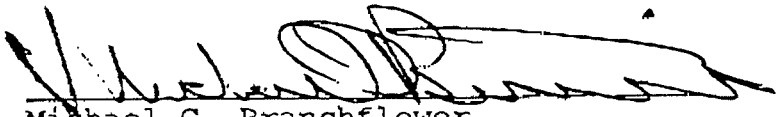

2. This is a water right which I purchased from Janss Farms, Inc. Prior to filing the Objection, I had been involved in negotiations with Idaho Department of Water Resources regarding the transfer of portions of that water right. The focus of these conversations and negotiations was Water Right 36-07460C.

3. I also filed an Objection to 36-07460B with regard to period of the year recommended in the remarks in the Director's Report, and General Provision No. 4 of the Director's Report.

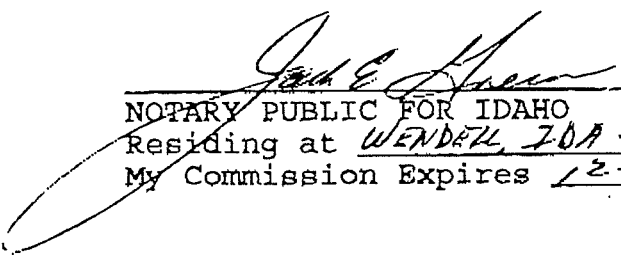

4. In focusing on 36-07460C, I did not notice that the Director's Report had not recommended the same quantity of water for 7460B as it had for 7460A, C and D. The basis for this water right is a license dated March 25, 1974, which is the same as Water Right No. 36-07460C. Additionally Rights No. 36-04021, 36-07377, 36-07547, and 36-15219, all have been recommended at one inch per acre or 1.32 cfs.

5. There will be no prejudice to the Idaho Department of Water Resources or any other parties if this late objection is allowed to be filed.

DATED This 10th day of December, 1993.

Michael G. Branchflower
