-) DIRECTOR'S REPORT

At a status conference on the record held on March 5, 2013, IDWR notified the court that the *Director's Report* for the above-captioned water right contained an error in the legal description of the point of diversion. On March 11, 2013, IDWR filed an *Amended Director's Report* which corrected that error. Based upon the comments of the participants at the hearing, the following are hereby **ordered**:

1) Notice of the filing of the *Amended Director's Report* shall be published on the Court's Docket Sheet in April, 2013, and objections to the *Amended Director's Report* shall be filed by **April 29, 2013**. The objection currently on file by the Tina Iest Family, LLLP, shall survive the filing of the *Amended Director's Report*, and that party need not file a new objection.

2) The previously scheduled trial is vacated.

3) A Status Conference will be held on **April 16, 2013 at 9:00 AM**.
