Re: Adjudication of civil case No. 39576, Ident. Number 2-7139

I request that you change the date of use for my license water right #02-7139 for the use period of 3-1 to 11-15 to reflect the historical use and necessity for irrigation at 2500 feet elevation in the Snake River canyon on the banks of the Snake River. This land has an extended growing season that requires water between those dates.

Sincerely,

Robert K. Hall

Dear Mr. Hall:

Per our phone conversation last week, enclosed is the corrected water right license and notice of claim to a water right filed in the Snake River Basin Adjudication (SRBA).

I phoned our state office to have them pull the original license file in order to correct the data entry of your right in our computer. Enclosed is a copy of the original license, plus a copy of the corrected computer generated license.

Also enclosed is a copy of the SRBA claim corrected to match the original license. This claim also reflects your request to amend the season of use portion on this claim. The original season of use licensed was 4/01 to 10/31 and this amended claim now shows 3/01 to 11/15 per your request. If you would like to file this amended claim, extending the season of use, please sign the claim before a notary and return it to this office. The amended claim itself does not guarantee a longer season of use will be decreed by the SRBA Judge. However, it will allow your position to be heard.

If you have any questions concerning the changes made per the original license, please feel free to contact me.

Sincerely,

JAN SHURTE
