RE: Evidence of Priority (CSRBA) Claim No. 95-11441

Dear Mr. Goodwin:

Thank you for your time and effort regarding my Claim to a Water Right and your information letter of March 6, 2013. In reviewing the Amended Claim you provided, it is clear you were correct in your assumption that the Well Driller's Report contained incorrect information (Section 34 SW $\frac{1}{4}$ SW $\frac{1}{4}$ rather than the initially indicated Section 34 NW $\frac{1}{4}$ NW $\frac{1}{4}$). Thank you for making the necessary changes on the Amended Claim.

I have signed and dated the Amended Claim and am enclosing it for your review and approval. I have additionally indicated the approximate location of the well head on the property. Thank you for also updating my mailing address and for verifying the applicant name.

Should you need any additional information or documentation, please contact me at the address indicated below or on my cell phone at 509-999-1667. I look forward to hearing back from you with a positive response related to this adjudication process. Thank you again for all of your assistance.

Sincerely,

Jerome McDermott, CPA/MBA
