DESCRIPTIVE SUMMARY

This document is Idaho Department of Water Resource's motion to correct clerical errors in the description of water right no. 34-02379A in the director's report.

MOTION

Pursuant to I.R.C.P. 15(a), IDWR moves to correct clerical errors in the description of water right no. 34-02379A as shown in the attached Exhibit 1, incorporated by reference herein.

No objections were filed to IDWR's recommendation of the right; however, IDWR discovered

a clerical error after the Director's Report was filed with the court. The basis of the right was inaccurately described. IDWR respectfully asks the court to grant the motion to correct the clerical error so that the water right is accurately described in the partial decree.
