IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

Case No. 39576

) SUBCASE NO. 34-02474B

) ORDER VACATING SCHEDULING
) CONFERENCE AND STAYING
) SUBCASE
)

A Scheduling Conference was held for Subcase No. 34-02474B on January 5, 1994.

On January 31, 1994, a *Trial Scheduling Order* was issued continuing the Scheduling Conference to February 14, 1994; setting a Pretrial Conference for May 9, 1994, and setting Trial for June 13, 1994.

It appears from the record that all parties to Subcase No. 34-02474B are signatories to a *Stipulation and Order to Resolve Objection*, filed February 3, 1994, which is intended to serve as the basis on which the water right will be decreed in the SRBA. Pursuant to the *Order of Reference Appointing Brigitte Bilyeu Special Master in Reporting Area 34 (Basin 34)* (November 4, 1993), the special master can submit a recommendation for each water right referred to the Presiding Judge. In order for the special master to approve or disapprove the stipulated agreement, a proposed decree must be submitted by the parties and a hearing on the record will be required.

The special master's ability to fairly evaluate the terms of the stipulated agreement and to recommend this water right to the Presiding Judge will depend, in part, on the form and content of the decree. The form and content of partial decrees in the SRBA is currently under advisement of the Presiding Judge.

IT IS ORDERED that further action on this water right is **STAYED** pending resolution of the form and content of the decree by Judge Hurlbutt and the Scheduling Conference set for 1 p.m. on February 14 is **VACATED**. Following a decision on the form and content of the partial decrees, the court will notice this matter for hearing and will require the parties to submit a proposed decree.

DATED February 10, 1994.

BRIGETTE BILYEU
Special Master, Reporting Area 1
Snake River Basin Adjudication
