DESCRIPTIVE SUMMARY

This document is W.T. Soward's motion to file a late Response to the Objection of Jay V. Jensen.

MOTION

W.T. Sowards, by and through his attorney of record, William R. Hollifield, hereby moves this Court for an order allowing him to file a late Response to the Objection of Jay V. Jensen. Said Response is attached hereto.

This motion is made for the reason that Mr. Sowards was unaware or did not realize the relationship of the storage water allocation and the possible impact of the Jensen Objection on the use of this storage water right.

DATED This 4th day of February, 1994.

INSTRUCTIONS

This form must be used to file a response to any objection filed against a water right recommended in a Director's Report. You may respond to all objections filed against one water right, using one response form. If you choose this option, your response should cover every issue raised in the objections. To respond to objections filed against more than one water right, you must file a separate response form for each water right. Forms may be obtained from the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you do, the text must be on the front and back of each page exactly as it appears here. The response must be received by the court on or before the deadline specified in the Notice of Filing the Director's Report that IDWR mailed to you. Follow the Instructions for Mailing this response (Page 5), or the court will not accept it for filing.

This form has been adopted by the court in *SRBA Administrative Order 1* (amended June 21, 1993), Section 4, which may be consulted for further information.

Any party filing 25 or more responses must make an appointment with the Clerk of the SRBA Court.
