

Department of Water Resources
Adjudication Bureau

The special master's ability to fairly evaluate the terms of the stipulated agreement and to recommend this water right to the Presiding Judge will depend, in part, on the form and content of the decree. The form and content of partial decrees in the SRBA is currently under advisement of the Presiding Judge.

IT IS ORDERED that further action on this water right is **STAYED** pending resolution of the form and content of the decree by Judge Hurlbutt. Following a decision on the form and content of the partial decrees, the court will notice this matter for hearing and will require the parties to submit a proposed decree.

DATED February 28, 1994.

BRIGETTE BILYEU
Special Master, Reporting Area 34
