Re: 95-15495

Dear Mr. Peavy:

We are returning your Notice of Claim. The date of priority is listed as October 6, 2010. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then you can correct the date and return the claim to our office. If the use of water was started after May 20, 1971, then an application for a permit to use the water needs to be filed.

Sincerely,

Kenneth Knoblock
Water Right Supervisor

*I made the change to when cabin was built -
Exact date of occupancy is unknown.*

*Also, change of address on the form & above
In our move, at time this form arrived, the form
got "lost in the shuffle" -*

Hope this is sufficient.

Thank You, Patricia Peavy
