Re: 94:8596

We are returning your Notice of Claim. The date of priority (item #2) is not listed. The date of priority is the date the water was first used regardless of who owned the property. Please enter the date and return the claim to our office.

Thank you,

We are returning your Notice of Claim. We would appreciate the following items completed:

Item2 – list the date of priority. That is the date the water was first use by you or the former owners.

Item4 – based on the parcel number you provided, the Township is 48N, Range is 2E, Section is 6. The rest is the SE1/4 of NE1/4.

Item6 – if you live there all year then the dates would be 1/1 to 12/31. Most claimants list 0.04 cfs for domestic.

Item8 – list the number of homes you are using water in.

Item9 – the use is in 48N 2E 6 SE of SE.

Please complete these items and return the claim to our office.
