FILE LATE CLAIMS

He came in to file the late claims based on two licenses for BLM. Found the license 43-2687 has been recommended under the claims 43-12917 & -12918 so no additional claims were necessary. After reviewing the details around license 45-2796, a claim was filed as 43-13033. This license was incorrectly assigned to Basin 45 but is located in B43. It was combined with the beneficial use for Wildlife use in the same claim as the license for Stockwater use.
