A71-00020 number change to A71-00020A
A71-00021 number change to A71-00021A

Dear Mr Furey & Mr Racine:

In our review of the claims filed in the Snake River Basin Adjudication we have found it necessary to renumber your claims as described above.

This action has been taken as a result of other claims being filed for the same root water rights. The addition of the suffix allows the Department to better track all of the claims associated with the original water right record.

Please note that the changes in the numbers of your claims do not affect the validity of your claims. Please refer to the new numbers in all future correspondence. Please find enclosed copies of the computer records for these claims. If you have any questions please feel free to contact our office.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Allen Merritt'.
