AGREEMENT

Department of Water Resources

Southern Region THIS Agreement is made this 14th day of March, 1995, by and between SHARLENE K. STAHL, Trustee for the Sharlene K. Stahl Trust (hereinafter "Stahl") and ROBB BRADY (hereinafter "Brady").

WITNESSETH:

WHEREAS, Stahl and Brady each own certain real property to which is appurtenant certain water rights from Fourth of July Creek; and

WHEREAS, a disagreement has arisen between Stahl and Brady concerning the amount of property which Stahl is entitled to irrigate, as well as the use of certain ditches located on the Brady property for the delivery of water to the Stahl property; and

WHEREAS, Stahl and Brady desire to resolve their differences on the terms and conditions hereinafter set forth.

1. Stahl and Brady agree that Stahl's irrigated acreage shall be limited to a total of Twenty-Four and Two-Tenths (24.2) acres. Of that amount, not more than Eight and Two-Tenths (8.2) acres will be irrigated by Stahl's utilization of the delivery ditch located on the southern boundary of the Brady property. The balance of the sixteen (16) acres of the Stahl property to be irrigated will have water delivered through a ditch located on property known as the "Mitchell property." For ease of reference, the map attached hereto as Exhibit "A," and by this reference incorporated herein, depicts the properties owned by Brady, Stahl, and Mitchell. The ditch on the Brady property is shown, however, the ditch through the Mitchell property providing water to the Stahl property is not shown. The parties agree that the ditch on the Brady property is adequate to serve that portion of the Stahl property which will be irrigated utilizing such ditch, and that the location and operation of the ditch and the headgates or outlet structures presently located thereon will not be changed without the mutual written agreement of the parties.

2. Stahl agrees to amend the claims filed on her behalf in the Snake River Basin Adjudication ("SRBA") to reflect the terms of this Agreement, as well as a proportionate reduction in the amount of water claimed for the agreed-upon Twenty-Four and Two-Tenths (24.2) acres. The claims shall be amended as follows:

- (a) A-71-00035B - withdrawn
- (b) A-71-00034E - reduced to .31 cfs
- (c) A-71-00033C - reduced to .51 cfs

3. Brady agrees not to protest or object to Stahl's water rights or claims in the SRBA subsequent to Stahl's performance of the obligations referenced in Paragraph 2 hereof. Furthermore, Brady agrees that Stahl shall be entitled to irrigate the lands referred to in Paragraph 1 hereof without interference by Brady.

4. Stahl acknowledges that this Agreement will result in a diminution in the amount of water originally claimed by Stahl in the above-referenced SRBA claims, and further will result in a diminution in the amount of acreage entitled to be irrigated from that originally claimed by Stahl. Nothing herein shall be deemed to preclude Stahl from acquiring water from other sources to irrigate the land referenced in Paragraph 1 hereof, or other land owned by Stahl.

5. Stahl and Brady agree to cooperate with other water users who obtain their irrigation water from Fourth of July Creek in procuring the necessary permits from the United States Forest Service for the conveyance ditch from Fourth of July Creek. It is the parties' intent that they, together with all other such affected water users, will share such costs on a pro-rata basis in the proportion that their amount of water rights shall bear to the total amount diverted to serve affected water users utilizing the same conveyancing system. Additionally, the parties agree to cooperate in forming a mutual ditch or lateral ditch users' organization to facilitate delivery of irrigation water.

6. Stahl and Brady agree that each of them has had the opportunity to consult with independent legal counsel concerning this Agreement and that each is entering into this Agreement after having had such opportunity.

7. This Agreement shall be binding upon the heirs, successors, and assigns of the parties hereto, and may, at the option of either of the parties, be recorded in the recorder's office of Custer County, Idaho.

8. If this Agreement shall become the subject matter of litigation, the prevailing party shall be entitled to recover all costs and attorneys' fees incurred from the non-prevailing party.

DATED this 7th day of March, 1995.
