RE: Subcase No. 36-04080

Dear Mr. Parsons:

The court is in receipt of your *Motion to Stay* in the above subcase. However, we are returning to you the Objection and Response forms you submitted. The court cannot accept these forms until the proper motion to file a late objection or late response are received.

The court will wait 10 days before it sets your *Motion to Stay* for hearing. If the court receives your motions to file a late objection and late response prior to March 24, 1994, it will set those motions at the same time.

Please note that because there is an existing subcase on this water right, the motions will be heard before the Special Master.

Please call if you should have any questions.

Sincerely,
