DESCRIPTIVE SUMMARY

This document is a stipulation, joint motion, and order to consolidate the sub-cases listed above.

STIPULATION

R. Keith Higginson, Director of the Idaho Department of Water Resources (IDWR), and Granite Trust Organization (GTO, the claimant/objector), by and through their undersigned counsel, stipulate and agree that the six sub-cases listed above should be consolidated.

STIPULATION, JOINT MOTION, AND ORDER
TO CONSOLIDATE SUB-CASES, PAGE 1

MOTION

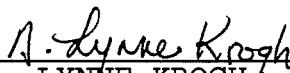

IDWR and GTO are the parties to these six sub-cases. (The United States Bureau of Land Management filed objections to three of these rights, all of which have been withdrawn.) Each of the objections contests the description of an individual water right, and in addition contests some aspect of the preamble of the director's report. A motion is currently pending before the court to bifurcate and consolidate into a single sub-case the portions of these and other objections that contest the preamble of the director's report. The parties move the court for an order consolidating the remainder of these six sub-cases, the portions of objections that contest the description of an individual water right, into a single sub-case. This motion is made pursuant to SRBA Administrative Order No. 1, I.R.C.P. 42(a) and 6(e)(3), because the remainder of these sub-cases involve common parties and common questions of law and/or fact, and consolidation will expedite the resolution of these sub-cases'.

No hearing is requested. If the court determines that a hearing is necessary the parties request that the hearing be held by telephone conference as provided by I.R.C.P. 7(b)(4).
