)
) ORDER CONDITIONALLY GRANTING
) LATE NOTICES OF CLAIM
)
)
)

On January 29, 2013, the State of Idaho Department of Lands filed a *Motion to File Late Notice of Claim* for each of the above-captioned water right claims. A hearing on the *Motions* was held on April 16, 2013. No party appeared in opposition to the *Motions*. However, at the hearing an issue was raised regarding the payment of the appropriate filing fees associated with the late claims. Counsel for the Idaho Department of Lands represented that the standard practice for the payment of filing fees as between the Department of Lands and the Idaho Department of Water Resources is that if the late claim is granted, the Department of Lands effectuates payment through an interagency billing. Therefore, following a review of the files and after hearing the comments made in open court, the Court finds that good cause exists for granting the instant *Motions*, provided that the Idaho Department of Lands submits the appropriate filing fees associated with the late claims pursuant to its standard practices.

THEREFORE, IT IS HEREBY ORDERED that the *Motions to File a Late Notice of Claim* for the above-captioned water rights are **conditionally granted** subject to the Idaho Department of Lands submitting the appropriate late claim filing fees to the Idaho Department of Water Resources pursuant to the standard practice of an interagency billing.

Dated April 17, 2013
