Dear Mr. & Mrs. Panzeri:

Enclosed is the computer generated copy of Claim No's. A02-10044 and A02-10045. These claims were previously numbered A57-10521 and A57-10522 when originally filed.

The number changes are a result of the Snake River source listed on both of these claims. The Department's numbering system is by drainage basin for the first two numbers and for direct diversion from the Snake River the basin number is 02. The basin 57 number used previously is for tributary streams or groundwater in a drainage basin next to the Snake River. Therefore, because both of these claims show the source as Snake River, we have changed the claims to basin 02 numbers. If you have any questions concerning these claims in the future, please refer to the new numbers shown.

Feel free to contact this office if you have any questions concerning this letter.

Sincerely,

A handwritten signature in cursive script that reads "Jan Shurte".
