Hi Jeannie,

I have been working on the mailing list for sending 2nd round notices to water users in Basin 71 and noticed some typos in 2 of the claims in Basin 71. The claim nos. are A71-10125 and A71-02016. In both claims under the name screen in all of the addresses, "Stanley" is spelled "Stanely".

I know this may seem minor but I couldn't let it pass by without telling someone. Helen H. suggested that I tell you and you can talk to Alan about changing them. I realize there may be a problem because it's possible that the claimants and not the data entry person misspelled "Stanley". Anyway, I assume that you guys have the original claim and can work that out.

Thanks,

Jodi Schultz, S.O.

Hi Jodi,

I checked those two claims (A71-10125 and A71-02016) that had "Stanley" misspelled and the originals were spelled correctly, so I'll just fix them and print out correct ones...

Thanks,
Jeanie
