At approximately 2:10 today, a conference call came in for the Scheduling Conference set by Special Master Terry Dolan in the above subcase. Participating in the conference call were Daria Zane for the U.S.; Dan Steckel for IDWR, M.B. Hiller for Smith Ranches, Inc.; listening in but not participating was Fred Price.

I informed the parties that Special Master Dolan was not available at the moment. Neither Mr. Hiller nor any of the parties had any objection to me taking notes and relaying the information to Special Master Dolan.

Mr. Hiller informed me that the parties were very close to resolution of this case. They said they would agree to the court setting a date in June as a deadline for filing a Stipulation. All parties agreed to June 3 or 10, and the exact date was left to the court's discretion.

As far as a trial date was concerned, December would be a good month for all parties. After a little discussion, the parties felt that the week of December 5, 1994 would be a good date for trial. Ms. Zane does have difficulties if the trial is set on a Monday or Friday. I informed her we would do our best to see that we set the trial for middle of the week. No discovery cutoff date was discussed.

All parties agreed that they did not need to be contacted by the court as to what dates the court set as long as the dates were in the time frames discussed.

The conference call was then terminated. For the Register of Action purposes, the scheduling conference for today will be vacated.

Shortly thereafter, Special Master Dolan returned to the Office. I gave him the information. Special Master Dolan decided an October 7, 1994 discovery cutoff date would be appropriate and trial was set as December 7, 1994 beginning at 10:00 a.m. in Twin Falls.

I will prepare a Trial Scheduling Order for Special Master Dolan's signature with the above dates.

Copies of this Memorandum will be sent to the counsel involved in the subcase. A copy of this Memorandum will also be placed in the court file.

APPROVED as to content this 7 day of April, 1994
