)

A Scheduling Conference was held for Subcase No. 34-00839 on January 21, 1994.

On January 31, 1994, a *Trial Scheduling Order* was issued setting a Pretrial Conference for June 15, 1994, and setting Trial for July 18, 1994.

It appears from the record that all parties to Subcase No. 34-00839 are signatories to a *Stipulation of Withdrawal*, filed January 27, 1994, which is intended to serve as the basis on which the water right will be decreed in the SRBA. Pursuant to the *Order of Reference Appointing Brigitte Bilyeu Special Master in Reporting Area 34 (Basin 34)* (November 4, 1993), the special master can submit a recommendation for each water right referred by the Presiding Judge. In order for the special master to approve or disapprove the stipulated agreement, a proposed decree must be submitted by the parties and a hearing on the record will be required.

IT IS ORDERED that the parties shall submit to the court by April 29, 1994, a proposed decree and available dates for a hearing on the proposed decree. All trial dates and other deadlines will remain unchanged.

DATED April 14, 1994.
