I met Don and completed licensing exam for 71-07008 & 71-07009. Since this old license 71-07008 has separate system, I decided for ease of understanding the various parts and their relationship with overlaps and that I would recommend the parts as follows:

- Part B Chin to be split, "Z" claim
- C Beaver Creek above hwy.
- D Beaver Creek below hwy.
- E Smiley Creek

Before recommending each part and after discussing with Mr. Justus that a portion of the land included in the old license was historically irrigated before the license was issued (dated 71-10665), I decided to review 71-10665 first then delete those areas from those licensed originally. This would reduce the area of interests licensed.
