AFFIDAVIT OF MARIE M. SULLIVAN

RECEIVED

JUL 24 1992

Department of Water Resources

STATE OF IDAHO)
) ss.
County of Custer)

MARIE M. SULLIVAN, being first duly sworn on her oath,
deposes and says:

I.

I was born in 1919 in the Stanley Basin, and for the first 18 years of my life resided on the Williams Ranch, still owned by my brother, Morgan Williams. The Williams Ranch was adjacent to the Shaw Ranch, which is now owned by Messrs. J. Robb Brady and Jack Furey.

II.

The Shaws were our closest neighbors and I was friends with Margery Shaw, who was older than I. Some of my earliest childhood memories are of riding my horse up to Margery's place and riding around on what we called the "mesa". We did this numerous times, especially in the summers, for several years. I cannot be certain when I began doing this, but by the time I was 9 or 10 years old, I am sure it had become a common occurrence. That would have been in 1928 or 1929.

MICROFILMED

MAR 17 1993

III.

There is a good view from certain places on the "mesa" and I can recall often each summer observing the water as it was spread out from the ditches to water the pasture land. In particular, I am familiar with the springs which arise in the southwest quarter of the southwest quarter (SW1/4 SW1/4) of Section 3 and the southeast quarter of the southeast quarter (SE1/4 SE1/4) of Section 4 in Township 8 North, Range 14 East, and flow in a generally westerly and northwesterly direction to Fisher Creek. These springs were the source of some of the water used to irrigate the pasture land. I cannot say with certainty when the use of water from these springs for irrigation commenced, but the ditches had the appearance of having been there for several years when I first remember observing them.

IV.

I was married in 1937 and in 1953 we left the Stanley Basin, but from the time I first recall, until we left in 1953, I know the practice of using water from the springs for irrigating the pasture as I have described continued every summer.

DATED this 14th day of July, 1992.

MARIE M. SULLIVAN

STATE OF IDAHO)

On the 14th day of July, in the year of 1992, before me,
the undersigned, a Notary Public, in and for the State of
Idaho, personally appeared **MARIE M. SULLIVAN**, known or
identified to me to be the person whose name is subscribed to
the within instrument and acknowledged to me that she executed
the same.

IN WITNESS WHEREOF, I have hereunto set my hand and

RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit.** The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,
