RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date you have claimed.

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by May 1, 1992, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.

ear Allen D. Merritt.

I don't know when the first one room cabin was built. But I was told there was a ditch with water running close by in the summer of 1875.

Sawtooth City was started in the summer of 1879. Its about 2 miles up the canyon from Beaver Creek Store. At Beaver Creek Store there was a barn where the mules were kept. That packed the ore from Sawtooth City to the mills near Atlanta. This of course was before any mills were built in the Sawtooth valley. The mules drank from the ditch near by. There also was a still at Beaver Creek Store. To keep all the miners happy. It took lots of water.

Beaver Creek - Was Alturas County on Feb 4, 1864. It became Blaine County. March 5, 1895.

A good friend of mine Mattie Hansen told me. That in the summer of 1925. She was with Mrs. Booth and her daughter. Mrs. Booth had a summer home over at Pettit Lake. They stopped in at Beaver Creek Store and bought a loaf of bread (home made).

My mom Dora Schlunegger bought Beaver Creek Store in the spring of 1958. And we have used the ditch water ever since. For watering our grass, flowers, trees and animals.

Sincerely

Metta Wilson

IF YES EXPLAIN. ?

REMARKS:

The evidence of priority is somewhat vague to support 1975. There have been several law suits in the area to settle water rights but none involved Beaver CK to my knowledge. Justus is the only other user of the creek. The affidavit supports 1958 & Justus's affidavit supports 1959 for his use but is my discussions Mr. Justus indicated that Beaver CK. store was probably before him. Based on this and the affidavit about Mettie Hansen stopping at the store in 1925 I will recommend 5/1/1925.
