Subject: Second Round Service for Kelly Hancock

Dear Scott,

The Second Round Service notice that Kelly Hancock received was for a parcel of land in Township 50N, Range 3W, Section 17. This land is a five acre parcel with Kootenai County parcel number 50N03W-17-4310. This five acre parcel is several miles away from parcel number 0-4620-000-011-0.

Statutory Claim 95-4681 for the irrigation of this five acre parcel was filed in 1983, stating there was an irrigation right from a spring for this land with a 1940 priority date. However, if Mr. Hancock is not irrigating the parcel, then the water use on the land has probably been abandoned. If Statutory Claim 95-4681 remains unclaimed in the Coeur d'Alene-Spokane River Basin Adjudication, it will be reported as an unclaimed right, and the CSRBA Court will likely decree it as disallowed.

The claim you filed on behalf of Kelly Hancock and his wife Gloria for the Hancock Family Trust covering parcel number 0-4620-000-011-0 has been assigned claim number 95-15899. Everything appears to be in good standing for claim 95-15899, and it will be recommended in the Basin 95 Director's Report, which is now scheduled to be filed sometime in 2016.

If you have any additional questions or need further clarification, please contact me.
