1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Quantity (cfs and afy)

Place of Use (total acres, authorized acres, and combined acres)

2. Describe the changes you wish to make in the proposed recommendation:

Quantity of 3.23 cfs; * remove afy or list 806.5 with total of 2021.5 afy

Place of Use: 404.3 acres total; right 2-10169 is 161.3 acres;

rights 2-10169 and 2-10167 combined are 404.3 acres

3. Give a brief explanation as to why you disagree with these portions:

None of the 340 acres listed with License 2-07357 was sold to Terry Carothers. 178.7 of the 340 acres have a 1959 priority date. ASCS data confirm 404.3.

____ I AGREE with this proposed recommendation: no changes need to be made.

Re: Original Notice of Claim to a Water Right No. A02-07357

Renumbered to Notice of Claim to a Water Right No. 02-10169

Dear Claimant:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office. Also enclosed is a copy of the original claim for your reference.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".
