RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date you have claimed.

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by May 1, 1992, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.
Water Rights Supervisor

Nobody present during exam. Owners live in California. was pretty obvious which place along the road was the one described by the claim since it talked about 5 cabins and this place was the only one which matched that description. On 6/17/93 I stopped & talked with Tina McDonald (caretaker of place - they just moved from Boise) She indicated that cabins generally used from 4/1 to 10/31 & residence was year-round)

She didn't know anything about the pump. No plate found.

REMARKS:

Affidavit seems to be heresy but the affidavit is signed by Mr. Seurge, the county assessor who is knowledgeable of 2nd and whose other statements for other files seems to be fairly accurate. Since there does not appear to be anything to contradict Mr. Seurge's statement I recommend the 1932 indicated in the statement. Since it is somewhat vague I recommend 12/31/1932 as the priority.
