RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit.** The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.
Water Rights Supervisor

RE: Evidence of Priority *** SECOND REQUEST ***
SRBA Claims A71-04048, A71-04049 and A71-04050

Dear Claimant:

Our records indicate that your claim(s) referenced above is based on either a "Statutory Claim" or "Beneficial Use" of the water. Before the Department can make a recommendation to the Court for claims of this type we are required to substantiate with supporting evidence the "Priority Date" which has been claimed. We have previously requested that you submit this supporting evidence in our letter dated March 2, 1992. To date we have not received the requested documentation.

Again we are enclosing a brochure outlining the types of evidence you may submit and a computer printout of your claim for reference. We request that you submit your evidence before April 1, 1993.

SPECIAL NOTE:

- *It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a notarized affidavit.
- *Please reference the above claim number(s) on your response.
- *If we do not receive the requested documentation your claim(s) will be recommended to the Court for disallowal due to lack of evidence supporting the priority date.

If you have questions or need other assistance please contact this office.

Sincerely,

Allen D. Merritt, P.E.

being first duly sworn,

deposes and says: that we purchased property in
June 29th 1971 and the cement pads that were
over the gas tanks were dated in the cement
1954. James A. Decker had the place then
and that is how we established the 1954
date. We suspect the use was around 1946
but not sure. The spring had to have been
used by 1954.

REMARKS:

This spring use was the original potable water supply for lodge but it was not reliable and due to health requirements the use of the well now supplies most of the needs. The use of the spring is now relegated to backup and limited use in restroom & irrigation of small lawn.
