NOTICE OF CLAIM

INSTRUCTIONS FOR USE

95-09-0009

This form is to be used to file a late notice of claim in a reporting area where the director's report has been filed and is made a part of *SRBA Administrative Order 1*, Section 4A (amended June 21, 1993), which may be consulted for further information.

A motion for premission to file a late notice of claim requires you to certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase the cost of litigation.

You may copy or reproduce this form. If you do, the text must be on the front and back of each page exactly as it appears here. Fill out the form completely and attach all fees or the court will not accept the motion for filing. The Verification and Certificate of Mailing must be completed. Check each box to verify you have followed the instructions.

- ☒ I have read the *SRBA Administrative Order 1, Rules of Procedure* (amended June 21, 1993).
- ☒ I have read *SRBA Administrative Order 10 Order Governing Procedures in the SRBA for Domestic and Stock Water Uses* (dated March 22, 1995).

I am an attorney representing Envirosafe Services of Idaho, Inc.

My name is Dana L. Hofstetter

My address is Holland & Hart, P.O. Box 2527, Boise, Idaho 83701

My phone number is (208) 342-5000

- ☐ I did not file a notice of claim to the use of water in the SRBA because:

- ☒ I filed a notice of claim and elected to defer judicial proceedings on my domestic or stock water use. I desire to reinstate my notice of claim for domestic or stock water use.

I am providing legal and factual documentation for my claimed use of water. The documents I am providing are: (You must describe the documents and attach a readable copy.)

The previous owners of the property, Harold A. and Dorothy J. Steiner, initially filed a Notice of Claim but later withdrew the claim in November 1989 based on the deferral option for domestic and stock water uses. Envirosafe Services of Idaho, Inc. succeeded to the Steiners' interest in the water rights as a result of a real property transaction on March 24, 1993.

Dear Mr. Hodge:

I am writing in regard to the change of ownership notice for the Notices of Claim to a Water Right for the property appurtenant to the land purchased from Harold Steiner. These claims are numbered A57-10035 and A57-10036.

Although Mr. Steiner did file these claims in the Snake River Basin Adjudication, he withdrew the claims in November of 1989. He did this based on the deferral option for domestic and stockwater uses.

You do have the option of refiling a claim for these uses. However, the Notices of Claim will need to be filed with the court because the director's report has been filed in basin 57. I am enclosing the necessary forms should you wish to file a claim.

The change of ownership notice also referred to a third Notice of Claim. This claim is numbered A02-02267 and is for irrigation from the Snake river. The ownership has been changed on this claim and I am enclosing a copy for your records.

If you have any questions or need assistance in completing the Notice of Claim form, don't hesitate to contact me.

Sincerely,

Linda A. Werner
