Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 94-8720

Dear Claimant:

Idaho Department of Water Resources (IDWR) has received and completed initial processing of your CSRBA Claim submitted via the Internet for a well (Ground Water) to serve three homes in Shoshone County. Your Claim has been assigned identification No. 94-8720 and a copy is enclosed.

Please telephone or contact me about amending or correcting your Claim after you have reviewed the copy of your Claim and enclosed maps. It is unclear if it is your intent to claim water from a well or from a surface water source (spring, stream, etc.), when water use for each of each of the homes under your ownership began, and where the homes are located.

My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
