

E. NARRATIVE/REMARKS/COMMENTS

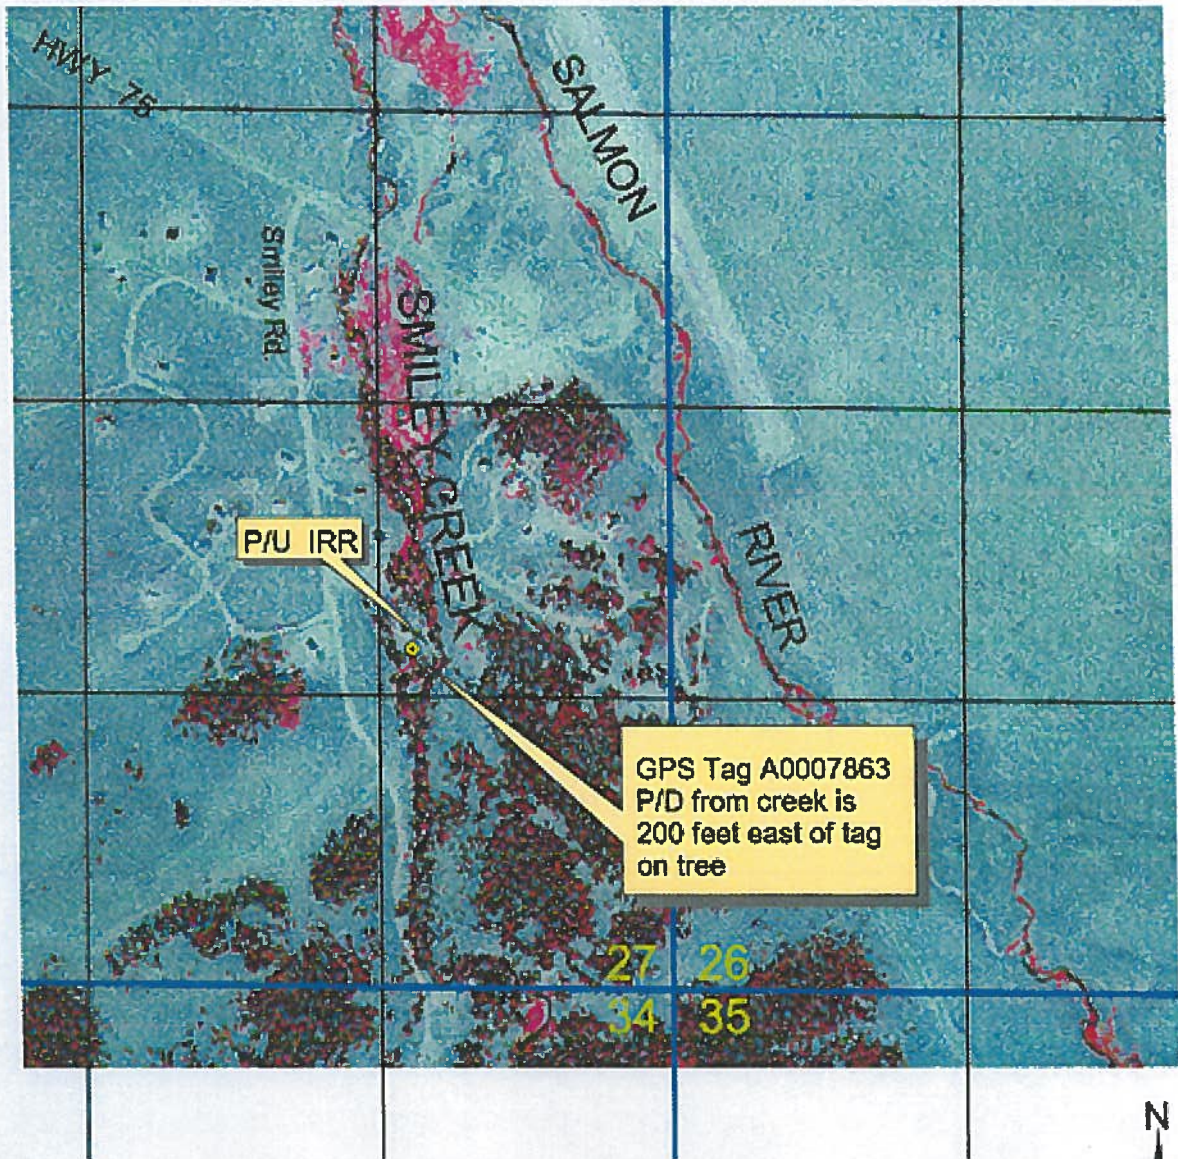

FROM: Georgia Satterlee
DATE: 08 November 1999
RE: 71-07085

On 16 July 1999, I met with the Mr. Morrison, to conduct the examination for the above permit. A portable 3 horsepower pump is placed in Smiley Creek. The creek runs along the east boundary of the Morrison's lot. The diversion from Smiley Creek is used for irrigation of approximately one acre and fire suppression. The domestic well is covered by the claim 71-10026.

Mr. Morrison operated the pump while I used the bucket and stopwatch to measure the flow. Mr. Morrison said the output was normal, which was approximately 7.5 gal/min. I will recommend the capacity of the pump as 0.02 cfs, for the use of irrigation and fire protection.
