I met with these gentlemen 2nd on John's portion the writer is presently not used nor does it appear it ever has been used on his portion of the property, John presently has built a cabin on the property 2nd his 2 well which serves the domestic needs of the cabin. John indicated he wanted in the future to run a pipeline down 2nd water his property. I told him based on my review I was not going to recommend irrigation 2nd 2d the most could only recommend "Domestic" use. I thought this since the writer was being or could be delivered thru an existing ditch similar to some "domestic" recommendations in subdivisions in Hagerman Valley. Since that time of the F.E. I discussed this matter with Dave Shaw, We decided it did not exactly fit the Hagerman scenario 2nd since the writer had never been used on John Blick's property the claim should totally be disallowed.
